- **Compass Learning:** https://www.thelearningodyssey.com/
  Compass Learning is free for you to use at home. It is a wonderful online learning tool that meets students at their instructional level. Students use Compass learning at school as well. Please reach out to your child's teacher to get the username and password.

Dear Parents,

Wildwood Elementary is excited to continue the utilization of Compass Learning Odyssey. Odyssey is a Web-based curriculum our school has chosen to use to enhance the educational experience. Odyssey takes detailed electronic assessments (MAP) and automatically evaluates strengths and weaknesses, then provides a personalized learning path of engaging instructional material, for your child's educational development and enjoyment. This document is designed to help guide you and your child through the process of accessing and utilizing the program. **Your student's learning portfolio will provide:**

Engaging Assignments
Learning Activities
Lesson Quizzes
... and much more!
