

WELCOME TO THIRD GRADE!

Listed below are the supplies your child will need for Mrs. Cloke's 3rd grade class. I condensed the list a lot so the students have one binder for all of their subjects instead of one folder and notebook for each, and their own supplies so they don't have to use the shared supplies. Most items can be found at The Dollar Tree, except for maybe the binder. I saw them at Meijer for \$4.99. I am excited and looking forward to working with you and your child during the upcoming year.

- Backpack that zips closed (not small size)**
- One 2 inch binder (with a clear plastic cover for a fun personalizing project)**
- 2 packs of lined paper with holes (wide ruled is best - college is too narrow)**
- 1 package of tab dividers to separate each subject in their binder**
- 1- Pencil bag (not box) to hold their supplies (or I can give them a gallon zip lock bag)**
- Colored pencils *Rose Art or Crayola work best***
- 1- 24 pack of Crayons *Crayola or Rose Art work the best***
- 2- highlighters for reading instruction**
- 4- glue sticks or liquid glue**
- 4 (or more) Dry Erase Markers for small group work
(Expo not Sharpee) *** maybe a fun eraser like fun socks**
- 1- pair of scissors**
- Water bottle to fill at our filling station so they don't have to use the fountain**
